Answer

THE MINISTER OF STATE FOR HEAVY INDUSTRIES & PUBLIC ENTERPRISES
(SHRI BABUL SUPRIYO)

(a) & (b): Central Public Sector Enterprises (CPSEs) operate in a competitive environment and they collaborate and pool resources to respond to the changing market situations. Policy formulation and strategic responsiveness is a continuous and dynamic exercise and is taken to meet emerging challenges. Department of Public Enterprises has not received any proposal for collaboration and pooling of resources of CPSEs.

(c) & (d): A web portal has been set up by the Ministry of Urban Development to develop a centralized database of inventory of all Government land including that belonging to Government controlled Statutory Authorities and CPSEs. This centralized database will help in the optimum utilization of land with the CPSEs.
